## **POPULAR MUSIC 1920 – 1970**

- **David Wiseman, 01756 797443, davidwiseman1@sky.com**

- Three Links – Tuesday 2.00 – 4.00, 4 Oct – 13 Dec & 10 Jan – 21 Mar, Max 50

We trace the story of popular music from 1920 until 1970. Our music starts with Ragtime and Charleston in the 20's, the beginnings of film music, British dance bands in the 1930's, Film music (Astaire & Rogers, Eddy & McDonald, etc), American big bands, wartime music, post-war popular music in England and America, 1950's theatre and film music, rock 'n roll, 1960's (Beatles, etc). Literally, everything our parents (and ourselves!) have enjoyed over 50 years 1920-1970. We manage to hear 25 different tracks each week, everything from Bing to the Beatles, via Benny and Barbra! Add a break for tea and biscuits (chocolate!) and we enjoy a delightfully nostalgic two hours every Tuesday afternoon. In good company! I promise you a really enjoyable time.

We are interested in making all things patchwork from placemats to sophisticated quilts and all the other ways of using this versatile skill. Bring your own work, or a basic sewing kit and some fabric if you want to learn something new. I have ideas for simple starter projects.

Everyone welcome, from experienced Quilters/ dressmakers to complete novices. We can all teach each other what we know and ask for help with what we don't know.
